These are terrific – thank you. I'm just checking with my partner in crime, [REDACTED], that she's happy and I also need to confirm with the Evelina that they will host a copy.

Dear Peter

Please find attached a draft of the A3 poster and a digital screen display (we will also use this for the PC desktop wallpaper).

Could you let me know if you are happy with these and I will send over a high resolution version of the poster for printing?

I'm assuming that Evelina reception have the petition and have been briefed.

I have included the hashtag (**#KeepOurBusStopsSafe**) that we plan to use in all communications relating to the petition as this will help us to track where others are talking about the petition on social media channels.

Many thanks
