Hi Peter...

I can't seem to get on to the petition site...can it be sent in another form...

I am so glad that hopefully something is being done...I work with wheelchair users and the plans are very unsafe...

'Cyclists choose to cycle...wheelchair users don't have a choice'

As a pedestrian I get cross with cyclists that ride in the pavement and go through red lights...but this plan is way beyond the pale where safety is concerned...

If there is anything I can do to help...just let me know...

Regards...
