Hi Peter,

I'll pop over on Friday at 9am.

"Keep our bus stops safe" is perfect.

Many thanks,

Hi Peter,

I'm happy to help. I can pop over on Thursday afternoon if that works for you or on Friday between 9am-11am or between 12pm-3pm.

I have a catch-up meeting with Anita this afternoon, so hopefully we will be able to talk then about your other questions/concerns.

Many thanks,

I now have approved text, two photos and a plan to construct our petition site with. Now I know it's supposed to be idiot proof...but I don't think my IT skills will do entirely what's necessary – have you an hour this week when you could help, please.

I think we probably ought to have a note ready for press interest especially if we're tweeting and distributing widely – grateful for suggestions, please. We also thought about getting the Friends of St Thomas' to front this. On reflection their current travails are coming to boiling point and whilst I am sure they will do everything they can to promote the petition it's probably too big an ask for them to front it.

Finally, I'll put together a little group to mastermind the physical petition within St Thomas'

Peter
