Dear Peter

I'm sure I can do this but I will need to know the dimensions of your banner so that I can adjust accordingly.

Best wishes

I think Hugh is now resigned to having to wait until the week after next if we want Kate involved and indeed any attention. [Redacted] is on leave until Tuesday but I've got a plan b is she can't help in that the printer who does the board papers could fettle something up.

In preparation could [Redacted] (I think she did the artwork) do a version of the blue card with just Keep our Bus Stop Safe and the visual on it, please.

Peter

Would it be sensible to assume nothing will happen next week?
Also did you manage to see if [Redacted] can help with a banner?
