We've fixed the date in consultation with Kate so she can be there so no worries there.

We need to make sure we have at the front of any photo those we think will be most affected – wheelchair user, blind person, mother with lots of children including a buggy etc – have you any of these you could field?

We're mounting a protest at the bus stop on Westminster Bridge at about 10.30 next Tuesday, 28th June, to mark the launch of our legal challenge to TfL about their floating bus stops and to bring the petition to a close. I wondered whether you might be able to encourage some of your colleagues from the Waterloo Action Centre to join us. We'll meet outside the entrance to St Thomas' a few minutes beforehand – we wstill invite press but will also have our own photographer present.

Perhaps we could have a word about this although rather inconveniently, I am away from the office tomorrow and Friday.

Thank you for your help and support – we are really grateful.
