I am up to my eyes in trying to sort out [REDACTED] so can't do anything about this at all until I get some head space - needs to be when everyone is back so we get a true sense of numbers - will add to my many things to do next week

Is there any possibility of lining up some volunteers with clickers to count people coming on site from the Westminster Bridge bus stop for 2 or 3 of the significant times of the day when it's likely to be busiest. Apart from the total it would be useful to have a sub group or three counting wheel chairs/crutches, visual impaired and blind and parents with buggies. Ideally we'd do it for a couple of days. The deadline is 16<sup>th</sup> June as we have to submit our pleadings into court on 17<sup>th</sup> June. What do you think.

I'm around for a word until about 11 tomorrow on the mobile then it's more challenging.

Sorry and all that [REDACTED]
